PRESIDENT'S MESSAGE

Waiting for Autumn.

The weather may be feeling like August but it really is Fall. The calendar says so no matter the weather outside. I took advantage of the nice weather and cleaned up our garden while Angie did some canning. Her sauerkraut is almost ready to enjoy. It's a busy time of year. It's also time to spend one last rally together as David & Judy Cahall and Linda Ward & Andy Dunkinson host, the now legendary, Flamingo Fantasy Fall rally at the Beacon Hill Campground. It will be a great time for all who attend. At the rally, we will also get tips on organization from Barbara, Judy, Kathi & Traude. David and Rich will lead our winterizing discussion which, if you are new to Airstreaming, is a must attend event.

Fall is also a time of change. The sun is setting earlier and rising later, the leaves turn to a rainbow of colors and thoughts turn to preparing to hunker down for the colder weather. One thing to put on your Autumn to do list is renewing your WBCCI membership. It's easy to do online <http://wbcci.org/join/club-info/membership-info/membership-info>. Or you will find the membership form with this newsletter. Please renew today. Our members are what make The Watchung Unit vibrant and active!
